

Ring Sizer

How to use this ring sizer:

1. Print this page - make sure you uncheck the "Fit to Page" option or that "Page Scaling" is set to None (depends on your version of Adobe Acrobat).
2. Cut out the ring sizer.
3. Roll the sizer into a circle with the numbers facing the outside.
4. Place the ring sizer around your finger and tighten until the sizer is snug around your finger.
5. Read your finger size from the scale.
